Vignetten-Probe

Zur gefl. Beachtung!

- Ich bitte dringend, diese Probe nicht durch Ausschneiden von Abbildungen einzelner Vignetten zu verstümmeln. Bei Bestellung genügt vollständig die Angabe der betreffenden Nummer. □□
- Firmen, welche mir nicht bekannt sind, wollen der Einfachheit halber den Betrag bei Bestellung nebst Porto gleich miteinsenden, wobei ich noch ganz besonders darauf aufmerksam mache, daß die württembergische Post nicht gestattet, Klischees als Muster ohne Wert zu versenden. Ich kann deshalb kleine Sendungen nur in Doppelbriefen, größere dagegen nur in Postkistchen expedieren.
- Die Preise der in diesem Katalog abgedruckten Vignetten verstehen sich in der Regel für Montierung auf Holzfuß, auf Wunsch werden solche aber gegen Berechnung eines entsprechenden Aufschlags auch auf Bleifuß geliefert. Die ganz kleinen Vignetten werden nach meiner Wahl auf Blei- oder Holzfuß montiert. □□
- Sämtliche in vorliegendem Katalog abgedruckten Gegenstände sind Originalerzeugnisse meines Hauses und ins Musterregister eingetragen. □□
- Alle früheren Notierungen der hier abgedruckten Vignetten sind ab 1. September 1909 ungültig.
