Compos profectus, nunc Zwole
medicinas exercet.

D.^r Theodorus Steenberghe.

N. Ultraject: a patre
 in Italiam missus Experimentor: Medici
 gratia, cum se domum reversurus
 Roma postremis literis significasset,
 littera diu altera diu circūnva-
 gata ad patris manus deferuntur,
 quibus significabat se saluū Alpi
 transiit, et puenisse Nanceius
 metropolin Lotharingia, unde
 dat sibi datur de Doct. oraculo
 was Hartog Carell van
 Borguindis. I subindicabat se
 ibi piculosa artis apud exteros sy-
 pimenta faceri, et suis certiora
 pferiberet medicina.
