Mentis. In Italia milites ad  
restitutionem hauriendi

Sp. Botum Pedis Leonis

(est. n. hac herba admodum arbutaria)  
Spongiam in hoc docto madefactam hauriendi  
inserant, ibique relinquant.

Coine 5. 150.

The first of these is the  
 question of the  
 nature of the  
 evidence which  
 is to be  
 considered in  
 the case of  
 a witness who  
 has been  
 shown to be  
 untruthful  
 in other  
 instances.

The second  
 question is  
 whether the  
 evidence is  
 sufficient to  
 establish the  
 fact in issue.

andere heft met uet etz roctumetiz.

The first part of the  
 paper is a list of  
 names and their  
 corresponding  
 numbers. The list  
 is arranged in  
 columns and rows.  
 The names are  
 written in a  
 cursive hand, and  
 the numbers are  
 written in a  
 simple, clear hand.  
 The list is  
 organized in a  
 systematic way,  
 with the names  
 and numbers  
 grouped together.  
 The list is  
 organized in a  
 systematic way,
