Huic eiusdem Artis Amatori benevolo,

FRATRIBVS MEIS CARISSIMIS?

Astor, & Pollux, naturâ & concordia Fratres, eo, quod pelagus à
piratis tuebantur intantum hominum vendere estimationem, vt Dis-
Matis fuerint appellati: nullus enim æstuosam hoc, & inconstans
elementum ingredi olim audebat, nisi germanos hos voris prius, ac
Sacrificijs sibi propitios reddidisset. Exemplum hoc me permover,
vt dum modulos hosce Sacros in lucem edo. atque ita varijs homi-
num tententjs, tamquam æstuoso Mari, me committo, imminentes linguarum ca-
lumniantium procellas timens, ad Patrocinium vestrum confugiam (*Fratres Dile-
ctissimi*) sperans vos mihi idem germanæ pietatis officium præstituros, atque hunc
laborem meum à turbulentis Zonorum linguis defensuros. Inoportunum duxi tu-
telam ab exteris quærere, dum eam inter consanguineos oportune poteram inveni-
re. Vos igitur velut huius Operis mei tutelares Deos veneror, & ne in conspectum
vestrum (quod nefas esset) vacuus prodirem, Ferculo hocce Musico manus instruxi
meas, & palato vestro Musicæ non imperito gustandum obtuli, vt cæteri nomina
vestra ominosa huic Operi præfixa conspicientes cibum non aded fastidendum in
illo latere autument. Exorabo interim Cælum, vt dum mihi Castoris & Pollucis
vice perfuncti fueritis, postea quoque inter Sidera referamini, atque ita vivatis,
non vt alternâ morte invicem (sicut illi) redimentes, immortalitatem dividatis;
sed, vt ambo immortales, velut stellæ in perpetuas fulgeatis æternitates. Ita vo-
veo & precor.
